

include/ext/simpson
_integral.h

```
graph TD; A[include/ext/simpson_integral.h] --> B[type_traits]; A --> C[cstdint]; A --> D[limits];
```

A diagram showing a header file 'include/ext/simpson_integral.h' at the top, which includes three other header files: 'type_traits', 'cstdint', and 'limits'. Arrows point from the top box to each of the three bottom boxes.
